Bethie: What did you do on holiday, Janet?

Janet: I was in İstanbul for a week.

Bethie: Did you enjoy the trip?

Janet: Very much. It was incredible. It is truly an ancient city, and the weather was perfect. People were kind and hospitable. I visited a lot of museums, palaces and historic sites. Turkish people keep their natural and historical heritages very well, and I tasted traditional dishes. Kebab and lahmacun were great. To me, İstanbul is one of the most beautiful cities in the world. I'd like to go there again.

Bethie: We can go together next time.

Janet: Sure, why not!
