1. Listen and tick the sports mentioned in the speech. Track 32

John: If you ask me, I would rather go rafting than kayaking because it is more exciting. I like adventures. Hang-gliding? Of course, it is more challenging than rafting. It should be a wonderful feeling to float in the air like a bird. The only extreme sport I wouldn't do is caving. I think it is more boring than the others. I tried it once. I didn't find it interesting. I don't know why people call it an extreme sport.
