

POSSESSIVE ADJECTIVES

Hatırlatma - 1:

İyelik sıfatları <u>sadece isimlerden önce</u> kullanılırlar ve arkalarından gelen varlıkların sahipleri hakkında bilgi verirler. **Tek başlarına hiç bir zaman kullanılmazlar.**

e.g. His book is red.

- "book" → sözü edilen nesnenin adı (kitap)
- "his" → sözü edilen nesnenin kime (veya neye) ait olduğunu belirten sıfat. (Onun kitabı)

Hatırlatma - 2:

İyelik sıfatları <u>sadece isimlerden önce</u> kullanılırlar. (Bu isim tek veya bir kaç adet olabilir.) Bu kesin ve değişmez bir kuraldır.

Possessive adjective → noun(s)

e.g. his book, their books, its legs and arms, her dream, our frustration ...etc
